St. Louis Catholic School Active Duty and Deployed Family & Friends

The St. Louis Catholic School Development Committee is pursuing adding an “Adopt a Solider” project to show our support and gratitude to our active duty and deployed friends and family of St. Louis School. Deployment is a challenging time for our military men and women and we are seeking to know if there are friends or family we could correspond with to show our support. This is just the first step of our project to determine the number of military men and women within our St. Louis community and we will communicate the details of the program in future meetings.

Please add the name of active duty and deployed family/friend, deployment dates, address, and St. Louis School friend/family affiliation.

Name of Active Duty/Deployed Family or Friend: _____

Deployment Dates: _____

Address to send letters and/or care packages:

St. Louis School friend/family affiliation _____

St. Louis School friend/family contact information:

Please return this form to the Development Council box in the school office.

Thank you.
