One	Penmanship	Letter formation. Letter & word spacing. Word order. Sentence structure & punctuation. Sentences express a complete idea. Writes 3-5 sentences on a single subject.	Forms letters correctly with good posture and pencil grip. Recognizes word order. Writes in complete sentences. Uses correct punctuation and sentence structure. Uses an apostrophe.	Observations and journal writing. Daily writing, proofread and edit. Writes sentences with spelling words. Responds to literature story prompts.
One	Lang. Arts	Nouns and proper nouns. Verbs, verbs that add "s" and action verbs. Verbs that do not add "s". Verbs for the present and the past (am, is, are, was, were). Contractions with "not."	Recognizes proper nouns in sentences. Knows to capitalize proper nouns. Recognizes and uses verbs in sentences. Recognizes and uses actions vers in sentences Recognizes present and past tense. Recognizes and uses contractions with "not."	Worksheet and teacher observations. Journaling and story writing. Response to literature. Share the Pen activity. Peer editing. Workbook. DOL
Two	Lang. Arts	Daily oral language. Parts of speech. Sentences: subject/predicate and types. (rev iew) Writing: research process, formal letter.	Uses appropriate capitalization and punctua- tion in writing. Recognizes correct usage of pronouns. Identifies parts of a sentence: subject/pred.. Uses writing process in research and formal letter writing.	DOL practice. Biweekly assessment. Graphic organizaers. Proof read and edit activities. Proofread and edit activities. Workbook and journal writing. Published work.

Primary 3rd Qtr. Curriculum Map
1st & 2nd Grade p2

GOALS: 1. To improve student performance. 2. To examine the practice of teaching. 3. To look for gaps and redundancy.

GRADE	SUBJECT	CONTENT	SKILLS	ASSESSMENT
One	Spelling	Endings: ed, ing. Long e: e, ee. Long e: l, y. er - ir - ur, nk, ng Consonant clusters. Vowel/consonant "e." r controlled a: ar Short vowel sounds.	Sort according to a preset pattern. Match spelling words to a rhyming word to complete a sentence. Match the shapes of letters. Use clues to find spelling words. Complete sequences. Complete a story using spelling words. Complete a sentence. Beginning, middle, ending sounds. Analogies.	Weekly spelling tests. Workbooks. ABC order. Spelling bees. Games. Word searches, cross words and word scrambles. Daily Fix It.(misspelling) Proofread and rewrite correctly. Daily fix it. Pretest - spelling bee. Fill in blanks to make correct sentence.
Two	Spelling	Phonemic awareness, digraphs, clusters, schwa, r-controlled vowels, and suffixes.	Recognizes letter sounds and blends to spell words orally and written. Adds suffixes to root words to make new words.	Oral and written assignments. Games and group activities. Weekly spelling tests. Worksheets.
One	Reading	Compare, contrast, predict and summarize. Monitor & mix up. Visualize. Text structure. Prior knowledge. Antonyms & synonyms. Descriptive words. Multiple meaning words. Genre: realistic fiction, animal fiction, animal fantasy, narrative nonfiction, play. Inflected endings. Attend punctuation. Using a dictionary and expression.	Compare & contrast characters, plot, setting by using clues within a selection. Predicts what will happen next. Recognizes a plot and sequence. Draws conclusions. Identifies expression, intonation, fluency.	Student text. AR books. AR tests. Oral readings. Buddy readings. Workbook activities. Tests. Group readings. Silent readings. STAR readings. Teacher observations. Sequencing of events.
Two	Reading	Compound words and homophones. Theme & Genre: historical fiction, biography and nonfiction. Comprehension: story structure, asking questions, summarize and graphic organizer.	Identifies characteristics of historical fiction, biographies and nonfiction. Recognizes: theme and plot, comparisons and contrasts, fact and opinion.	Graphic organizers, journals, oral discussion, hands on activities. Workbook, reading games and small group readings. Quizzes, tests, AR tests.

Primary 3rd Qtr. Curriculum Map
1st & 2nd Grade p3

GOALS: 1. To improve student performance. 2. To examine the practice of teaching. 3. To look for gaps and redundancy.

GRADE	SUBJECT	CONTENT	SKILLS	ASSESSMENT
One	Math	Subtraction strategies. Facts to 12. Data and graphs. Place value to 100.	Know subtraction facts to 12. Identify subtraction rules and patterns. Relate addition & subtraction. Solve 2 step problems that involve sequence. Construct & interpret charts graphs. Finds range, mode & median. Solves problems using info from charts and graphs. Read & write numbers 0 -100. Compare and order numbers. Recognize odd & even numbers. Skip count by 2's & 5's. Solve problems using logical reasoning.	Math games and workbook. Solves problems with manipulatives. Tests & quizzes. AR math, Math Facts, STAR Math Teacher observations.
Two	Math	Addition with three digits. Money and time. Adding and subtracting three digit numbers. Place value to 100. Geometry.	Find volume of a group of coins and bills. Tells time to the quarter hour and 5 minute intervals. Adds and subtracts 3-digit numbers with and without regrouping. Reads and writes numbers and words for 100-999. Identifies place value of a designated digit. Identifies properties of geometric solids and plane figures.	Math journals. AR Math tests. Oral observation and flash cards. Tests. Math Facts in a Flash. Manipulatives. Chapter reviews. Math centers and games.
One	Science	How does the sky change? How does the moon look? How do the stars look? What time is it?	Read data tables. Hypothesize. Determine time.	Workbook. Experimentation. Videos and technology. Make and use models. Tests.
Two	Science	Exploring earth's surface: The Earth's resources and the Earth long ago.	Identifies natural resources and their uses as well as importance. Explains the process of how fossils are made and how and where they are found. Recognizes relevance of fossils today.	Oral discussion and observation. Classwork and workbook. Projects and experiments. Vocabulary flipbooks/activity sheets. Reviews and chapter tests.

Primary 3rd Qtr. Curriculum Map
1st & 2nd Grade p4

GOALS: 1. To improve student performance. 2. To examine the practice of teaching. 3. To look for gaps and redundancy.

GRADE	SUBJECT	CONTENT	SKILLS	ASSESSMENT
One	Society	GEOGRAPHY: Where we live - communities, country, world, water and land. What is weather? Care for our natural resources.	Can use pictures and maps. Can use map keys. Sorts into groups.	Oral responses and observations. Worksheets, quizzes and tests. Draws pictures and constructs models.
Two	Society	Landforms and bodies of water. Our Past: America's first people, from colonies to states, America at war, growth and the expansion. Timelines.	Identifies continents and oceans on maps and globes. Understands how historical figures and ordinary people helped to shape our nation: Native Americans, Pilgrims, Columbus, Washington, Lincoln, and Harriet Tubman. Creates and interprets timelines. Uses chronology related vocabulary: Ancient modern times, past, present and future.	Oral discussion and observation. Hands on map activities. Vocabulary flipbooks/activity sheets. Reviews and unit tests.
